

ACKNOWLEDGEMENT

There are number of people who have helped us during the course of this project without whom this project would have not been completed.

First and foremost, we would like to thank the Department of Computer Sciences, ST. XAVIER'S COLLEGE (AUTONOMOUS) for teaching us the basics without which we would never have had the direction regarding this project.

Secondly, we would like to thank Dr. (Fr.) Johnson M. Vice Principal, Department of Computer Sciences, ST. XAVIER'S COLLEGE (AUTONOMOUS), who encouraged us throughout the project and helped us during our semester.

Next, we would extend our sincere gratitude to FruxInfo – Website Development & Digital Marketing Company, the IT company that allowed us to work with their guidance and develop this project and help us in almost each and every situation and provided for all the requirements including certificate and Mr. PRATIK SINGH, our external guide from FruxInfo – Website Development & Digital Marketing Company who communicated all the needs of the project to us and supported us by giving us his valuable feedback at almost every instance and provided all the documents like company certificate and helped in preparing presentation, front-end, back-end of the website and database,

Thirdly, we would also thank Mrs. CECIL JOHNY, our internal guide who not only taught us, but also guided and encouraged us all long into completing this project and helped in the best possible way she could and constantly supporting by reviewing our website and shaping it the way it is today.

We would also take a moment to acknowledge and thank our family and friends who have morally motivated us throughout the project and never left our sides and who have been extremely patient and supportive with us. We give them our heartfelt thanks for this kind gesture.

Lastly, we would like to thank God for showing us his mercy, keeping us, our near and dear ones safe and sound and carrying us in the palm of his all throughout this project.
